I attempted to call the Wal-Mart Pharmacy located at [REDACTED] and spoke with the Pharmacist on duty. He stated that he would check with his corporate office with what information he would be able to release and would contact me back.

I then contacted a local Walgreens Pharmacy and learned that the Walgreens scripts had been filled at the store located at [REDACTED]. I contacted the store and was told that the script most recently presented on 8/3/16 was a hard copy prescription with a doctor's signature. I was unable to obtain a copy of the script presented as the person I was speaking to was unable to assist me any further.

[REDACTED] is willing to aid in prosecution.

Victim's Rights sent via mail.

This concludes my involvement.
